Dr Ram Gopal

About NIT Patna

National Institute of Technology Patna is the 18th National Institute of Technology created by the Ministry of H.R.D. Government of India after rechristening the erstwhile Bihar College of Engineering Patna on 28. 01. 2004. The institute is situated on the south bank of holy river Ganges behind Gandhi Ghat, one of the most important and reverential place of Patna. National Institute of Technology Patna has been declared as an Institute of National Importance and has been granted a fully Autonomous Status by MHRD, Government of India. The Institute has also been declared as a Centre of Excellence of imparts high level education training, research and development in science, engineering technology and humanities. It is imparting high quality education & values at UG B.Tech, M.Tech & Ph.D programmes through its experienced faculty well versed in their respective field of engineering an technology with well equipped laboratories. National Institute of Technology Patna aims at setting out very high education standards and holds long record of academic excellence.

About MGCGV Chitrakoot, Satna [MP]

Mahatma Gandhi Chitrakoot Gramoday University (MGCGV) is a rural university at Chitrakoot, India. It was established on February 12, 1991 by Social activist Nanaji Deshmukh,. Named after Mahatma Gandhi this university aims to provide higher education to people living in rural areas. The university is an institute dedicated for teaching, learning and research. It offers its students and staff members facilities such as a central library, computer centre and mess. To create enlightened future citizenry and realize Gandhi Ji's dream of rural development, MGCGV on the banks of the holy river Mandakini through a separate MP Government Act (9, 1991) on the auspicious day of Mahashivaratri at Chitrakoot, Distt. Satna (M.P.). The main objectives of the university are to provide education and dissemination of appropriate technology. The MGCGV has jurisdiction in the

state of Madhya Pradesh. The university is making efforts to establish its centre at various places.

Electronics and ICT Academy

Ministry of Electronics and Information Technology, Government of India has instituted seven Electronics and Information & Communications Technology (ICT) Academies of which, the academy of NIT Patna is one. The Academy at NIT Patna aims to design and organize basic as well as specialized training programmes in niche areas of electronics and ICT for the development of required knowledge base, skills and tools to equip the teaching community with better knowledge and understanding.

Objective and Scope

The main objective of this FDP is to make the aspiring academicians/engineers acquainted with the conceptual as well as practical knowledge of the teaching and research & latest technologies being used to the improve the quality of Higher education. By the end of the program, the participants should be able to understand the technical core issue of the following topics:

- Modern Technologies and pedagogical approaches in teaching and research process
- Application software used in teaching & learning and data analysis including MS-office & Internet Applications
- Managing student of rural masses by psychological and behavioural inputs using ICT & Web Applications
- Front end and back end application in learning
- ICT for promotion and campaign in Rural area
