NOTICE

In continuation to earlier Notice No. NITP/7397/2020 dated 23.03.2020 and NITP/7409/20 dated 25.03.2020, the undersigned has been directed to convey that under the present unprecedented situation, when we all are fighting against COVID 19, the following decisions have been taken by the competent authority in the larger interests of students, academic and research activities of the Institute and at the same time keeping health, safety and wellbeing of the students on topmost priority:

1. Preponement of Summer Vacation:

The summer vacation for the current academic year has been preponed and it will now commence w.e.f. 15.4.2020 to 31.5.2020.

Subsequently, the Dean (Academic Affairs) will prepare a revised academic calendar so that remaining academic activities of the current semester are completed at the earliest. The revised academic calendar will be uploaded on the Institute website in due course.

Further, all of the students are once again informed that they will be intimated about the start of academics/research activities a week in advance so that they can plan their travel accordingly and that they should not come to campus unless informed about the start of academics/research activities.

Further, the students are informed that all the queries related to academic matters should be addressed directly to the Dean Academic (dean.ac@nitr.ac.in) / Dean Student (dean.sw@nitr.ac.in) / Chairman HMC (samrat@nitr.ac.in) / Prof Incharge Training & Placement (samrat@nitr.ac.in) on their respective email ids.

2. Summer Internship of B.Tech.(IInd year)/IDD Students:

As already informed to the students, they can work from home. Professor Incharge (T&P) will arrange for work from home till 31.5.2020.

Students can work on their summer internship even during their stay on the campus or after completion of their academic requirements for the current semester.

The Institute is planning to complete all academic requirements for B.Tech/B.Arch/ Int MSc and M.Tech students by 30.6.2020 (provided everything goes well and we are able to come out of this unprecedented situation).

Those students, who want to undertake training/internship at the site, can do so after 30.6.2020, after academic requirements for the current semester are completed. These students may have a time window of about 4-5 weeks to do so. PI(T&P) will assist these students in making arrangements with the companies.

Further, those students who wish to pursue summer internship at the Institute itself, may do so.
3. Placement of Final Year Students:

The Professor-Incharge (T&P) will contact the organisations for extension of joining dates to July 2020. Institute will try to complete all academic requirements by this date.

The students are informed that all the queries related to training, summer internship and placement should be addressed directly to the Professor Incharge (T&P) on his email id samrat@nitp.ac.in and on his Mobile no. 9973791523.

4. Summer Internship for External Students:

Summer Internship Programme 2020 for external students will not be offered during this academic session. It is reiterated that, as already decided, there will not be any physical presence of external students for summer internship this year in the campus. Institute will not receive any application in this regard or if received, will not consider them further. It shall be announced on the Institute website explicitly. However, any faculty member can take summer interns (in work from home format) at on his/her own.

All such candidates are informed that all the queries related to summer internship for external students should be addressed directly to the concerned faculty on their email id / Mobile nos.

5. Summer Vacation for Faculty Members:

Since the faculty members are required to adopt online mode of content delivery/assignments/tutorials to students on a regular basis, the faculty members will have to remain in contact with the students for their academic and research activities during this period. As such, the faculty members will remain on duty during this period.

Further, the faculty members, who have already been granted vacation leave on the basis of earlier schedule, stands cancelled.

6. All students, faculty, officers and staff are advised to visit Institute website regularly for any further updates on the issue.

This issues with the approval of the Competent Authority.
