About NIT Patna

National Institute of Technology Patna is the 18th National Institute of Technology created by the Ministry of H.R.D. Government of India after rechristening the erstwhile Bihar College of Engineering Patna on 28.01.2004. The Institute is situated on the south bank of holy river Ganges behind Gandhi Ghat (where the ash of father of the Nation, Mahatma Gandhi was offered in the river Ganges). The Institute imparts high level education training, research and development in science, engineering technology and humanities along with high quality education and values at UG, PG and Ph.D. level. At present the Institute offers courses in six major technical disciplines viz. Architecture, Civil Engineering, Computer Science & Engg., Electrical Engg., Electronics & Communication Engg. and Mechanical Engg. It also consists of well-established departments of Physics, Chemistry, Mathematics and Humanities and Social Sciences.

About Technical Education & Research Institute, Ghazipur, Uttar Pradesh

Technical Education & Research Institute, Ghazipur, located 78 KMS, north-east of Varanasi on the famous Buddhist Circuit (NH-29) in eastern Uttar Pradesh, is known primarily for its spiritual & religious importance. The Modern district of Ghazipur once formed part of the ancient kingdom of Kashi, a famous centre of Aryan civilization. TERI was established as an appendage of Post-Graduate College which has an illustrious history of nearly five decades. It is approved by AICTE, New Delhi and recognized by Government of Uttar Pradesh, affiliated to APJ Abdul Kalam Technical University Lucknow.

In 1994, TERI was the first and only Institute to offer MCA degree programme. It also earned the unique distinction of being the first institute in Uttar Pradesh to offer MCA course apart from state-funded engineering colleges which were the only institution allowed to run such programme until 1994.

Electronics and ICT Academy

Ministry of Electronics and Information Technology, Government of India has instituted seven Electronics and Information & Communications Technology (ICT) Academies of which, the academy of NIT Patna is one. The Academy at NIT Patna aims to design and organize basic as well as specialized training programmed in niche areas of electronics and ICT for the development of required knowledge base, skills and tools to equip the teaching community with better knowledge and understanding.
