Chief Investigator, EICT Academy
Dr. Bharat Gupta, ECE

Co- Chief Investigators, EICT Academy
Dr. M. P. Singh, CSE

Preamble (Electronics & ICT Academy)

Government of India had announced a National Policy on Skill Development, which has set a target of skilling 500 million people by 2022 in the domain of Electronics & IT. Under the plan scheme of "Digital India Manpower Development". MeitY has set up seven (07) Electronics and ICT Academies as a unit in 03 IITs, 03 NITs and 01 IIIT with an objective of faculty/mentor development/up gradation in the areas related to Electronics & ICT leading ultimately to improved employability of graduates/diploma holders. NIT Patna has set up such an academy for providing specialized training to faculty and industry persons in the states of Bihar, Jharkhand, West Bengal, Odisha.

(A) Issues-

1. IT Hardware and Electronics Manufacturing industry- availability of properly trained, skilled and qualified manpower
2. Number of quality PhDs generated in IT / Computer Science is very low
3. In E & ICT domain- there is a very high degree of obsolescence of existing technologies and faster emergence of newer technologies

(B) Approach-

1. A focused faculty training/updation programme for IT, Electronics and related sectors
2. Spreading up and continuous updation regarding Emerging Technology
3. Training and consultancy services for Industry
4. Design, Develop and Deliver specialized modules for specific research areas and Industry
5. Providing advice and support for technical incubation and entrepreneurial activities

Two Weeks Certification Program

Quantum Computing

Sept 27 – Oct 8, 2021
(Monday to Friday)

Resource Persons from IBM India

An intensive two-week online certification programme is being organized jointly by MNIT Jaipur, PDPM IIITDM Jabalpur, NIT Patna, and IIT Guwahati for the **Faculty Members** of **Engineering** and **Technological Institutions**. It is also open to **Industry Personnel** and **Doctoral Students** of Indian organizations.

National Mission on Quantum Technologies & Applications (NM-QTA) with budget of Rs 8000 Crore for 5 years will be implemented by the DST. Quantum Science will be a major technology disruption that will change entire paradigm of computation, communication, and encryption. Applications will receive boost in aero-space engineering, numerical weather prediction, simulations, securing communications, financial transactions, cyber security, advanced manufacturing, health, agriculture, education, etc. The focus is on creation of high skilled jobs, human resource development, start-ups & entrepreneurship.

This workshop will cover fundamentals of **Quantum Computing** and introduces Quantum **Cryptography** and Quantum **Machine Learning**. Domain experts from **IBM Labs India / IBM Partners** will handle **all the sessions** will be handled, who would be conducting online lab and training sessions.

Experts / Speakers-

Nivedita Dey
Director and Research
Coordinator
QRDLab, University of Calcutta

Rajesh K Jeyapaul,
IBM Quantum Ambassador
Engineering Lead, AIOps@ IBM
Labs India

Course Content:

Qubits, Bloch Sphere, Vector Algebra, bra-ket notations
Superposition, Entanglement, Teleportation, No Cloning theorem,
IBM Qiskit, UI Tools and OpenQASM (Open Quantum Assembly Language)
Quantum Gates – Pauli & Hadamard, Multi Qubit gates, Deutch's Algorithm
Quantum Programming Languages, Platforms and Frameworks
Quantum Search, Quantum subroutines, Grover's Algorithm
Quantum Fourier Transforms, Discrete logarithms, Shor's Algorithm, BB 84
Quantum Cryptography & Key Distribution
Quantum Machine Learning, Opportunities, Applications

Registration:

Registration is open to faculty, industry persons, doctoral, postgraduate and graduate students. Participants will be admitted on first-come first-served basis. Register online at - <https://forms.gle/C6YsCVihNqutxwW69>

Course and Certification Fee:

Academic (Student / Faculty): ₹ 500/- Industry / Others: ₹ 1,000/-

1. Fee once paid will not be refunded back; it may be adjusted in future courses upon prior request.
2. The fee covers online participation in the programme, comprehensive tutorials, practice notes & certification charges.
3. The organizers should receive the registration amount through online payment gateway provided at the registration portal.
4. Register here: <https://forms.gle/C6YsCVihNqutxwW69>
