ABOUT NIT PATNA

National Institute of Technology Patna (NITP) is the 18th National Institute of Technology created by the Ministry of Education (formerly MHRD) Government of India after rechristening the erstwhile Bihar College of Engineering Patna on 28.01.2004. NIT Patna marked its humble beginning in 1886 with the establishment of pleaders' survey training school which was subsequently upgraded to Bihar College of Engineering in 1924. This made this Institute the 6th oldest Engineering Institute in India. The Institute is situated on the south bank of the holy river Ganges behind Gandhi Ghat (where the ashes of Mahatma Gandhi were immersed in river Ganges). The campus has a picturesque view with its historic building presenting a spectacle of architectural delight and natural beauty. The Institute imparts high level education, training, research and development in science, engineering, technology and humanities along with high quality education and values at UG, PG and Ph.D levels. At present, the Institute has six disciplines offering degree courses viz. Architecture, Civil Engg., Computer Science & Engg., Electrical Engg., Electronics & Communication Engg., and Mechanical Engg., and well-established departments of Physics, Chemistry, Mathematics, Humanities and Social Science.

OVERVIEW OF THE ONLINE FDP

UGC has notified Quality Mandate along with the initiatives to be taken by both Higher Educational Institutions (HEIs) and UGC. One of the proposed initiatives is to introduce Induction Program for the students taking admission at UG and PG level in Universities and Colleges as decided in the 534th meeting of commission (UGC) held on 02.08.2018. Similarly, AICTE in its 49th meeting of the Council held on 14th March, 2017 approved a package of measures for improving quality of technical education in the country wherein it was decided that every student, on admission, shall be put through a mandatory Induction program to reinforce the fundamental concepts and the required language skills required for the technical education.

OBJECTIVES OF THE FDP

A mandatory induction program for students was designed by Prof. Rajeev Sangal, former Director, IIT (BHU) and his team to be offered right at the commencement of the first year and classes will begin after this induction program (Now known as DEEKSHARAMBH). The same program has been adopted as Deeksharambh by UGC and AICTE. Deeksharambh -- a guide to Student Induction Programme was prepared to provide/enhance the mentoring capabilities of the faculty member of universities and institutions so that they are able to conduct Student Induction Program.

It has been observed that universities and other higher education institutions have started implementing the student induction program. They have done very good job in organizing various activities listed in the Student Induction Program. **But, at the same time these universities and HEI's have failed to deliver the Universal Human Values component of the student induction program.** The universal human value (UHV) is the core components of the student induction program and the objectives of the program cannot be achieved without the deliverance of UHV.

There is a need to conduct faculty trainings / development programs in order to provide/enhance the mentoring capabilities of the faculty members of all universities across the country in a phased manner.

IMPORTANT DATES

Receipt of applications (Online): 20 November 2020

Information to the selected candidates: 21 November 2020

FDP duration: 23 – 27 November 2020

TENTATIVE SPEAKERS

1. Prof. Rajeev Sangal, former Director IIT (BHU) Varanasi
2. Prof. Pradeep Ramancharla, IIIT Hyderabad
3. Prof. N. C. Karmakar, IIT (BHU) Varanasi
4. Dr. Amrendra Kumar, IIT (BHU) Varanasi
5. Dr. Hari Kumar, NIT Warangal
6. Dr. Arvind Singh, BIT Sindhri
7. Mr. Siva Shankar, Expert UHV
8. Mr. Ajay Jain, Expert UHV
9. Mr. Giridhar, Expert UHV
10. Mr. Shriram Narasimhan, Expert UHV

ELIGIBILITY

1. **There is no registration fee from any participants.**
2. All the faculty members from higher educational institutions are eligible for the FDP.
3. The maximum number of participants is limited to 5000.
4. Participants will be selected on first-come first-served basis.
5. Selected candidates will be intimated by e-mail confirmations of participation are to be made by email only.
6. The Coordinators' decision will be final in the selection of participants.

Note:

The interested participants must register online at <http://moodle.uhv-fdp.com> and get enrolled for this FDP. Alternatively, the scan copies of completely filled registration form may be sent by email to uhv.fdp@nitp.ac.in on or before 20 November 2020 for the final registration.

TEST AND CERTIFICATE

1. The end of day assignment will be uploaded on Moodle every day.
2. The certificates shall be issued to those participants who have attended the program full attendance and scored minimum 60% marks in the test.
