

# NATIONAL INSTITUTE OF TECHNOLOGY PATNA

## Department of Mechanical Engineering

### End-semester practical examination

Date: 22-04-2022

End-sem lab viva exams of B.Tech. 4th sem and 6th sem ME courses of January-June (2022) semester will be conducted in ME Department as per following schedule

| Subject                         | code    | Examiner                | Date       | Time    |
|---------------------------------|---------|-------------------------|------------|---------|
| <b>B.Tech. (4th semester)</b>   |         |                         |            |         |
|                                 |         |                         |            |         |
| Applied Thermodynamics Lab      | MEL4801 | Shahid Mahmood          | 27-04-2022 | 9:30 AM |
|                                 |         | Arun Kumar              |            |         |
|                                 |         | Anmesh Kumar Srivastava |            |         |
|                                 |         |                         |            |         |
| Fluid Mechanics & Machinery Lab | MEL4802 | Jayanta Kumar Biswas    | 28-04-2022 | 9:30 AM |
|                                 |         | M. N. Pandey            |            |         |
|                                 |         | Piyush Kumar Pathak     |            |         |
|                                 |         |                         |            |         |
| <b>B.Tech. (6th semester)</b>   |         |                         |            |         |
|                                 |         |                         |            |         |
| Internal Combustion Engine Lab  | MEL6801 | Ajit Kumar Pandey       | 27-04-2022 | 9:30 AM |
|                                 |         | Md. Parwez Alam         |            |         |
|                                 |         | N. P. Mandal            |            |         |
|                                 |         |                         |            |         |
| Machine Tools & Machining Lab   | MEL6803 | Anupam Alok             | 28-04-2022 | 9:30 AM |
|                                 |         | Nitesh Kumar            |            |         |
|                                 |         | Sonu Rajak              |            |         |
|                                 |         |                         |            |         |
