TITLE OF THE PROGRAM:

Awareness Programme on Intellectual Property Rights(IPRs) under National Intellectual Property Awareness Mission (NIPAM)

OVERVIEW ABOUT THE PROGRAM:

Intellectual property (IP) nurtures and encourages innovation and creativity, thereby contributing to society's cultural and economic development. IP is a multi-faceted tool, which, for instance, (i) provides encouragement to inventors, authors, and artists; (ii) brings sustainability to the cycle of research and development; (iii) grants protection to businesses against unauthorized use of their goodwill; and (iv) contributes towards poverty alleviation of craftsmen who are grass-root geographical indication authorized users. IP can be an effective tool in achieving the Hon'ble Prime Minister's vision of an Aatmanirbhar Bharat.

OBJECTIVE OF THE PROGRAM:

To contribute towards building an Aatmanirbhar Bharat by participating in Government of India's initiative 'Azadi Ka Amrit Mahotsav', and thereby under this Mission generating IP awareness among one million students across the country.

COURSE CONTENT:

- Concepts of IPRs
- Various IPRS: Patent, Design, Copyright, Trademark, GI, Semiconductor Layout Design
- Understanding Patent Literature and Non-Patent Literature
- Patent Filing Procedure
- Patent Drafting
- Patent Search
- Use of Patent Literatures in R&D
- Latest Trends in Patent and other IPRs
